Peek-a-Boo, Where Are You? by GrettaJean

*Who was lost?
Who was found?
Ask our cat
She's quite profound.*

*Sitting quite poised,
looking up so calm,
"I wasn't gone,
I was here all along."*

*Your carpets are clean,
the machine yelled and screamed.
I high-tailed it and hid
You'll never know where I slid.*

*After searching the town,
we stood looking down.
Who was lost?
Who was found?*

*Ask our cat . . .
She's quite profound.*
